Dear Parishioner

Thank you for your ongoing financial support to the Parish, particularly during this time of Covid when our congregations are diminished and income is also diminished. We greatly appreciate your generous ongoing support.

On behalf of the Finance Committee, I am writing to all parishioners who make their contribution by envelope to ask you to consider changing over to a Standing Order which would come regularly out of your bank account.

As well as being more convenient for parishioners, this would facilitate better financial planning as we would know better what our ongoing income would be. I would be most grateful if you could give this your consideration as it would be beneficial for the parish.

- I have attached a standing order form for you to complete and send to your bank if you decide you would like to change over to a Standing Order. You will need to fill in your bank details and the amount of money you would like to contribute each month to the various collections. Please do not hesitate to contact the parish office if you have any queries regarding completing the form.

Finally, I hope this finds you well in these uncertain times, and you continue to deal with Covid as well as you can.

Yours sincerely

Paul O'Connor
Finance Committee
